

Meeting - 1

Meeting: Discussion on Technologies, frameworks, language to be used.

Date: 28th Jan, 2020

Location: Boys Hostel - 4, Room No.- 1025, IIIT Allahabad.

In Attendance: Sanket Mundra, Developer

Prateek Mishra, Developer

Harsh Bajaj, Developer

Raunak Rathour, Developer

Review of Agenda:

We wanted to finalise the backbone technology of the project to be used. We also wanted to decide the basic flow of the project, i.e, SDLC.

Status of upcoming operational review:

We came up with the following conclusions:

- **IDE:** Android Studio
- **Language and Technology:** Java & XML
- **Frameworks:** Google Maps API

Note: Subject to changes as and when required as per need.
